MEMORANDUM FOR: Chief of WH Division

SUBJECT : Management

25X1 1. [] called to my attention the Report of Audit of the WH Division for the period 1 November 1967 to 31 December 1968. This report certainly speaks highly of the efficient management of your Division. It is an unusual situation when an Audit Report not only contains no recommendations for improvement but adds that the component under audit is to be commended for its efforts.

25X1 2. I, too, want to commend you and your staff for the performance which made this type report possible. Please express my personal appreciation to [] and the members of his Support team for the effort they put forth during this period and the obvious efficiency with which they did their job.

Numerous presentations by the Agency have been made in the past setting forth accomplishments, including those which are classified and directed to appropriate officials of the Federal Government. I would suggest continuance of what we have been doing in this regard and would have some concern over distribution within or beyond the Agency of any booklet reporting to highlight our progress across the board.
